

PASTELMAT®

NEW!

Introducing a unique new surface for pastel artists

Acid Free Archival Lightfast Water-resistant

- Unique velvety surface with excellent grabbing power
- Holds many layers of pastel color
- Reduces the need for fixative
- Gentle on fingers & tools
- Premium card weight (360gsm / 170lb)
- Use with wet and dry media

Ideal for use with:
Soft Pastel
PanPastel®
Pencil
Charcoal

"As pastel was placed to the surface, it was like magic. It grabbed the pastel, retaining a heavy bold indication of the stroke. Multiple applications of pastel could be added without any indication of the tooth being compromised. It has quickly become part of my favorites list."

Richard McKinley,
Review of Pastelmat - Pastel Pointer's Blog (Pastel Journal)

Sheets: 19.5x27.5" (50x70cm)

Pads:
